CHILD LEARNING CENTER

Variety is announcing a new fundraiser that we hope you can all “kick your heels” about.

**What is it? Gently Used Shoe Fundraiser (Please see the dos and don'ts)**

What can you do? Bring in pairs of gently used shoes of all kinds (men, women, children's) and deposit them in the box at Megan Smith's office (Family Center) in Syosset and Lobby in Levittown.

**How long does it run? Until the end of November!**

Please ask family, friends, and neighbors to be a “goody two shoes” and help us raise funds while benefitting those less fortunate.

If the shoe fits, keep it but if it doesn't bring it to Variety anytime between now and November!
